PROJECTS

LOVE PROPOSAL WEBSITE | HTML, CSS, JAVASCRIPT   GITHUB - LIVE

- It is a responsive web application for expressing our love.

- High level CSS designs are used

- And JavaScript is used to make this page dynamic

A SIMPLE LOGIN PAGE (It will be updated, as it is my login page for big project)

| HTML, CSS   GITHUB - LIVE

- It is a login page, which illustrates how I'm doing with CSS

- This site will be updated time to time, with my personal skills
